The Tender Offers will expire at 11:59 p.m., New York City time, on July 11, 2017, unless extended or earlier terminated by Transocean Inc. (the "Expiration Date"). No tenders submitted after the Expiration Date will be valid. Subject to the terms and conditions of the Tender Offers, the consideration for each U.S. \$1,000 principal amount of Notes validly tendered (and not validly withdrawn) and accepted for purchase pursuant to the Tender Offers will be the tender offer consideration for such series of Notes set forth in the table above (with respect to each series of Notes, the "Tender Offer Consideration"). Holders of Notes that are validly tendered (and not validly withdrawn) at or prior to 5:00 p.m., New York City time, on

June 26, 2017 (such date and time, as it may be extended, the "Early Tender Date") and accepted for purchase pursuant to the Tender Offers will receive the applicable Total Consideration for such series, which includes the early tender premium for such series of Notes set forth in the table above (with respect to each series of Notes, the "Early Tender Premium"). Holders of Notes tendering their Notes after the Early Tender Date will only be eligible to receive the Tender Offer Consideration, which is the Total Consideration less the Early Tender Premium.

All Notes validly tendered and accepted for purchase pursuant to the Tender Offers will receive the applicable consideration set forth in the table above, plus accrued and unpaid interest on such Notes from the last interest payment date with respect to those Notes to, but not including, the applicable Settlement Date (as such term is defined in the Offer to Purchase) ("Accrued Interest").

Tendered Notes may be withdrawn from the Tender Offers at or prior to 5:00 p.m., New York City time, on June 26, 2017, unless extended by Transocean Inc. (such date and time, as it may be extended, the "Withdrawal Date"). Holders of Notes who tender their Notes after the Withdrawal Date, but prior to the Expiration Date, may not withdraw their tendered Notes.

Transocean Inc. reserves the right, but is under no obligation, subject to the satisfaction or waiver of the conditions to the Tender Offers, to accept for purchase any Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date, at any point following the Early Settlement Date, subject to the Acceptance Priority Levels, the Aggregate Maximum Tender Amount and the Tender Caps. The Early Settlement Date is expected to be within three business days following the applicable Early Tender Date, or as promptly as practicable thereafter, subject to all conditions to the Tender Offers having been either satisfied or waived by Transocean Inc. On the Early Settlement Date, Transocean Inc. will accept Notes validly tendered at or prior to the Early Tender Date, subject to the Aggregate Maximum Tender Amount, the Tender Caps, the Acceptance Priority Levels and proration, each as described in the Offer to Purchase. Assuming that the conditions to the Offers are satisfied and waived, such Early Settlement Date may be as early as one business day following the Early Tender Date. Transocean Inc. will purchase any remaining Notes that have been validly tendered and not validly withdrawn at or prior to the Expiration Date and that Transocean Inc. chooses to accept for purchase promptly following the Expiration Date, subject to all conditions to the Tender Offers having been either satisfied or waived by Transocean Inc. The Final Settlement Date is expected to occur within three business days following the Expiration Date or as promptly as practicable thereafter.

Subject to the Aggregate Maximum Tender Amount, the Tender Caps and proration, the Notes accepted on any Settlement Date will be accepted in accordance with their Acceptance Priority Levels set forth in the table above, with 1 being the highest Acceptance Priority Level and 5 being the lowest Acceptance Priority Level. In addition, no more than U.S. \$400,000,000 aggregate principal amount of the 6.000% 2018 Notes will be purchased in the Tender Offers (as may be increased by Transocean Inc., the "6.000% 2018 Notes Tender Cap"), no more than U.S. \$225,000,000 aggregate principal amount of the 2020 Notes will be purchased in the Tender Offers (as may be increased by Transocean Inc., the "2020 Notes Tender Cap") and no more than U.S. \$225,000,000 aggregate principal amount of the 2021 Notes will be purchased in the Tender Offers (as may be increased by Transocean Inc., the "2021 Notes Tender Cap" and, together with the 6.000% 2018 Notes Tender Cap and the 2020 Notes Tender Cap, the "Tender Caps"). All Notes tendered at or before the Early Tender Date will be accepted for purchase in priority to other Notes tendered after the Early Tender Date, even if such Notes tendered after the Early Tender Date have a higher Acceptance Priority Level than Notes tendered prior to the Early Tender Date.

Acceptance for tenders of any Notes may be subject to proration if the aggregate principal amount for any series of Notes validly tendered and not validly withdrawn would cause the Aggregate Maximum Tender Amount to be exceeded. Acceptance for tenders of the 6.000% 2018 Notes, the 2020 Notes and the 2021 Notes may be subject to proration if the aggregate principal amount of the specified series of Notes validly tendered and not validly withdrawn is greater than the applicable Tender Cap. Furthermore, if the Tender Offers are fully subscribed as of the Early Tender Date, holders who validly tender Notes after the Early Tender Date will not have any of their Notes accepted for purchase.

The consummation of the Tender Offers is not conditioned upon any minimum amount of Notes being tendered. However, the Tender Offers are subject to, and conditioned upon, the satisfaction or waiver of certain conditions described in the Offer to Purchase.
