

TRANSOCEAN RECEIVES APPROVAL OF SUPPLEMENTAL PROSPECTUS FOR COMPULSORY ACQUISITION OF REMAINING SONGA OFFSHORE SE SHARES

STEINHAUSEN, Switzerland—March 8, 2018—Transocean Ltd. (NYSE: RIG) announced today that Transocean Ltd. along with Transocean Inc. (“Transocean”) received regulatory approval of its supplemental prospectus related to the compulsory acquisition of the remaining shares in Songa Offshore SE (“Songa Offshore”) that are not already owned by Transocean. Transocean expects to complete the compulsory acquisition by the end of the first quarter of 2018.

The supplemental prospectus incorporates updated information from Transocean’s quarterly Fleet Status Report and 10-K filings, and was approved by the Financial Supervisory Authority of Norway on March 7, 2018. The supplemental prospectus shall be considered an integral part of, and is to be read together with, the prospectus dated February 16, 2018. Subject to restrictions under applicable securities laws, the supplemental prospectus is available electronically at: <http://securities.clarksons.com>.

Based on Norwegian securities laws, shareholders of Songa Offshore SE who have subscribed for new consideration shares and new exchangeable bonds in the compulsory acquisition before the supplemental prospectus was published have the right to withdraw their subscriptions by 6:59 p.m. EDT, 11:59 p.m. CET on March 12, 2018. Such withdrawal, resulting from the publication of the supplemental prospectus, is made by contacting Clarksons Platou Securities AS by the deadline.

The subscription period in the compulsory acquisition commenced on February 20, 2018, and expires at 6:59 p.m. EDT, 11:59 p.m. CET on March 20, 2018. Transocean will pursue a delisting of the Songa Offshore shares from the Oslo Stock Exchange as soon as possible after the compulsory acquisition is complete.

The consideration for the compulsory acquisition will consist of a choice between:

- A combination per Songa Offshore share of (i) 0.35724 newly issued consideration shares and (ii) USD 2.99726 principal amount of new exchangeable bonds, with up to NOK 125,000 being payable in cash based upon NOK 47.50 per Songa Offshore share; or
- NOK 47.50 per Songa Offshore share in cash.

Songa Offshore shareholders who do not act on the offer by actively choosing a consideration will receive NOK 47.50 per Songa Offshore share in cash paid to their registered bank account.

About Transocean

Transocean is a leading international provider of offshore contract drilling services for oil and gas wells. The company specializes in technically demanding sectors of the global offshore drilling business with a particular focus on deepwater and harsh environment drilling services, and believes that it operates one of the most versatile offshore drilling fleets in the world.

Transocean owns or has partial ownership interests in, and operates a fleet of 47 mobile offshore drilling units consisting of 27 ultra-deepwater floaters, 12 harsh environment floaters, two deepwater floaters and six midwater floaters. In addition, Transocean has two ultra-deepwater drillships under construction or under contract to be constructed. The company also operates two high-specification jackups that were under drilling contracts when the rigs were sold, and the company continues to operate these jackups until completion or novation of the drilling contracts.
