All of the net proceeds from the offering will be used to fund the redemption of all of the outstanding Existing Secured Notes, subject to the satisfaction of the conditions precedent thereto. Transocean Inc. will transfer a portion of the net proceeds from the offering, together with cash on hand to the extent required to complete such redemptions, to each applicable subsidiary issuer of the respective series of Existing Secured Notes, and each such issuer will apply such proceeds to consummate such redemption, subject to the satisfaction of the conditions precedent thereto.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the United States, shall not constitute an offer, solicitation or sale of any securities in any jurisdiction where such offering or sale would be unlawful and does not constitute a prospectus pursuant to the FinSA.
