(NYSE: RIG) announced that Transocean Inc., its wholly-owned subsidiary (the "Company" and, together with Transocean Ltd., "Transocean"), has commenced an offer to purchase for cash (collectively, the "Offers" and each, an "Offer") any and all of its outstanding 11.50% Senior Guaranteed Notes due 2027 (the "2027 Super Priority Guaranteed Notes") and 7.25% Senior Notes due 2025 (the "2025 Priority Guaranteed Notes," collectively with the 2027 Super Priority Guaranteed Notes, the "Notes"), in each case, from holders thereof (each, a "Holder" and collectively, the "Holders"). Each of the Notes specified in the table below are referred to as a "series" of Notes. The Offers are being made pursuant to an Offer to Purchase, dated April 11, 2024 (the "Offer to Purchase").

The Offer for the Notes will expire at 5:00 p.m., New York City time, on April 17, 2024 unless extended (such date and time, as may be extended, the "Expiration Date"), or unless earlier terminated. To be eligible to receive the applicable Total Consideration (as defined herein) payable for the Notes, Holders must (i) validly tender Notes on or prior to the Expiration Date or (ii) deliver a properly completed and duly executed notice of guaranteed delivery (as may be amended or supplemented from time to time, the "Notice of Guaranteed Delivery") on or prior to the Expiration Date. Tendered Notes may be withdrawn on or prior to, but not after, 5:00 p.m., New York City time, on April 17, 2024.

The Offers are subject to the satisfaction or waiver of the conditions, including the Financing Condition (as defined below).

(1) No representation is made as to the correctness or accuracy of the CUSIP numbers listed herein or printed on the Notes, and are provided solely for convenience of the reader.

(2) Per \$1,000 principal amount. Excludes Accrued Interest (as defined herein), which will be paid as set forth herein as applicable.

(3) The Total Consideration for the 2027 Super Priority Guaranteed Notes validly tendered will be determined by the Dealer Manager (as defined herein) in the manner described in the Offer to Purchase by reference to the fixed spread (the "Fixed Spread") specified above plus the yield (the "Reference Yield") based on the bid-side price of the U.S. Treasury Reference Security specified above (the "Reference Security") as quoted on the Bloomberg Bond Trader FIT3 series of pages (the "Reference Page") at 10:00 a.m., New York City time, on the Expiration Date of the Offers. The Total Consideration for the 2027 Super Priority Guaranteed Note will be based on a yield to July 30, 2024, the date of the next specified redemption price reduction under the indenture governing the Notes, and assuming the Notes are redeemed on July 30, 2024, at the specified redemption price for such date of 102.875% of the principal amount, as described in the Offer to Purchase.

Subject to the terms and conditions of each Offer, including the completion of an offering of debt securities on terms satisfactory to the Company, (including, but not limited to, the amount of proceeds raised in such offering), the consideration for each series per \$1,000 principal amount of Notes validly tendered at or prior to the Expiration Date and accepted for purchase pursuant to such Offer will be the total consideration for such series set forth in the table above (with respect to each series of Notes, the "Total Consideration") on the Settlement Date or the Guaranteed Delivery Settlement Date (each defined herein) (which may be extended by the Company).

In addition to the Total Consideration, all Holders of Notes accepted for purchase will also receive accrued and unpaid interest on such Notes from the last interest payment date with respect to the Notes to, but not including, the Settlement Date (with respect to each series of Notes, the "Accrued Interest"). For the avoidance of doubt, interest will cease to accrue on the Settlement Date for all Notes accepted in the Offer, including any such Notes tendered through the guaranteed delivery procedures. As a result, Notes tendered through the guaranteed delivery procedures will not receive accrued interest from the Settlement Date through the Guaranteed Delivery Settlement Date.

In respect of all Notes validly tendered and not validly withdrawn on or prior to the Expiration Date, the Company will make payment in same-day funds promptly following the Expiration Date, anticipated to be April 18, 2024, the first business day after the Expiration Date (the "Settlement Date"). In respect of all Notes for which a properly completed and duly executed Notice of Guaranteed Delivery is delivered pursuant to the guaranteed delivery procedures on or prior to the Expiration Date and accepted for purchase, the Company will make payment in same-day funds promptly following the Guaranteed Delivery Expiration Date, anticipated to be April 22, 2024, the first business day after the Guaranteed Delivery Expiration Date (the "Guaranteed Delivery Settlement Date").

Each Offer is a separate offer, and each may be individually amended, extended, terminated or withdrawn, subject to certain conditions and applicable law, at any time in the Company's sole discretion, and without amending, extending, terminating or withdrawing any other Offer. No Offer is conditioned upon any minimum principal amount of Notes of any series being tendered nor the consummation of any other Offer. Additionally, notwithstanding any other provision of the Offers, the Company's obligation to accept for purchase, and to pay for, any of the Notes validly tendered pursuant to the Offers

is subject to the satisfaction or waiver of certain conditions as set forth in the Offer to Purchase, and the Company expressly reserves its right, subject to applicable law, to terminate any Offer at any time.
