Item 4. *Description of Securities.*

Not Applicable.

Item 5. *Interests of Named Experts and Counsel.*

Not Applicable.

Item 6. *Indemnification of Directors and Officers.*

Article 34.1 of the registrant's Articles of Association provides that:

No directors of the registrant will be personally liable to the registrant or, if any, its members for monetary damages for breach of fiduciary duty as a director, except for liability (1) for any breach of the director's duty of loyalty to the registrant or, if any, to its members, (2) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of law or (3) for any transaction from which the director derived an improper personal benefit.

The registrant will indemnify, to the fullest extent permitted by the laws of the Cayman Islands as from time to time in effect, if any, any person who was or is a party or is threatened to be made a party to, or otherwise requires representation by counsel in connection with, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (whether or not an action by or in the right of the registrant) by reason of the fact that he is or was a director or officer of the registrant, or, while serving as a director or officer of the registrant, is or was serving at the request of the registrant, as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity. The right to indemnification conferred by Section 34.1 also includes the right of such persons to be paid in advance by the registrant for their expenses to the fullest extent permitted by the laws of the Cayman Islands as from time to time in effect.

Unless otherwise determined by the registrant's board of directors, the registrant will indemnify to the fullest extent permitted by the laws of the Cayman Islands as from time to time in effect, if any, any person who was or is a party or is threatened to be made a party to, or otherwise requires representation by counsel in connection with, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (whether or not an action by or in the right of the registrant), by reason of the fact that he is or was an employee (other than an officer) or agent of the registrant, or is or was serving at the request of the registrant as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity.

The rights and authority conferred by Section 34.1 are not exclusive of any other right that any person has or hereafter acquires under any law, provision of the registrant's articles of association or memorandum of association, agreement, vote of members of the registrant or of the board of directors of the registrant or otherwise.

The registrant also has directors' and officers' liability insurance that would indemnify its directors and officers against damages arising out of certain kinds of claims that might be made against them based on their negligent acts or omissions while acting in their capacity as such.

The Agreement and Plan of Merger, dated as of July 21, 2007, by and among the registrant, Transocean Worldwide Inc. and GlobalSantaFe Corporation (the "Merger Agreement") provides that, following the Transactions (as defined in the Merger Agreement), the registrant will indemnify, defend and hold harmless, to the fullest extent permitted under applicable law, (1) each person who is, or has been at any time prior to the effective time of the Transactions, an officer or director of the registrant or GlobalSantaFe or any of their subsidiaries or divisions and (2) each person who served as a director, officer, trustee or fiduciary of another corporation, partnership, joint venture, trust, pension or other employee benefit plan or enterprise at the request of the registrant or GlobalSantaFe against all losses, claims, damages, liabilities, costs or expenses, including attorneys' fees, judgments, fines, penalties and amounts paid in settlement in connection with any claim, action, suit, proceeding or investigation that arises out of or pertains to actual or alleged acts or omissions by them in the capacities set forth in (1) and (2) above. The registrant's duty to indemnify, defend and hold harmless applies whether or not such actions are commenced, asserted or claimed prior to the effective time of the Transactions. In the event of such claim, action, suit, proceeding or investigation, the registrant is required to pay the fees and expenses of counsel selected by the party to be indemnified, to the fullest extent permitted by applicable law in advance of the final disposition of any such action and cooperate in the defense of any such matter.

The Merger Agreement provides that the rights to indemnification will survive the Transactions. The Merger Agreement also provides that for a period of six years after the effective time of the Transactions, the registrant will maintain officers' and directors' liability insurance covering those individuals described in (1) and (2) of the preceding paragraph who were covered prior to the effective time of the Transactions by officers' and directors' liability insurance policies maintained by the registrant and GlobalSantaFe on terms substantially no less advantageous to those individuals than the existing insurance of the registrant and GlobalSantaFe, provided that the registrant will not be required to pay annual premiums in excess of 250% of the last premium paid by the registrant prior to the date of the merger agreement, in which case the registrant will purchase as much coverage as is reasonably practicable for that amount.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement; *provided, however*, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

Ladies and Gentlemen

Validity of Issue of Ordinary Shares Issuable Upon the Exercise of Options and Stock Appreciation Rights
Assumed By Transocean Inc., an Exempted Company Incorporated Under the Laws of the Cayman Islands.

We have acted as special Cayman Islands counsel to Transocean Inc., a company organized under the laws of the Cayman Islands ("Transocean"), in connection with the Reclassification and the Merger (each as defined below) pursuant to an Agreement and Plan of Merger dated as of July 21, 2007 (the "Merger Agreement") among Transocean, GlobalSantaFe Corporation ("GlobalSantaFe") and Transocean Worldwide Inc., a direct wholly owned subsidiary of Transocean ("Merger Sub").

Under the terms of the Merger Agreement, GlobalSantaFe has merged with Merger Sub by way of a scheme of arrangement qualifying as an amalgamation under Cayman Islands law, with Merger Sub continuing as the surviving entity (the "Merger"). Immediately prior to the Merger, each outstanding ordinary share, par value \$0.01 per share, of Transocean (the "Transocean Ordinary Shares") was reclassified by way of a scheme of arrangement under Cayman Islands law (the "Reclassification") into (i) 0.6996 Transocean Ordinary Shares and (ii) \$33.03 in cash. At the effective time of the Merger, each outstanding ordinary share, par value \$0.01 per share, of GlobalSantaFe (the "GlobalSantaFe Ordinary Shares") was exchanged for (i) 0.4757 Transocean Ordinary Shares (after giving effect to the Reclassification) and (ii) \$22.46 in cash.

Pursuant to the Merger Agreement, each GlobalSantaFe option to purchase GlobalSantaFe Ordinary Shares and each GlobalSantaFe stock appreciation right settled in GlobalSantaFe Ordinary Shares under GlobalSantaFe's stock plans (the "Plans") was assumed by Transocean and became an option to purchase ordinary shares of Transocean and a stock appreciation right settled in ordinary shares of Transocean, respectively (the "Plan Shares").

For the purposes of giving this opinion, we have examined the documents listed in Schedule 1.

In giving this opinion we have relied upon the assumptions set out in Schedule 2 hereto, which we have not independently verified.

We are Attorneys-at-Law in the Cayman Islands and express no opinion as to any laws other than the laws of the Cayman Islands in force and as interpreted at the date hereof.

Based upon the foregoing examinations and assumptions and upon such searches as we have conducted and having regard to legal considerations which we deem relevant, we are of the opinion that under the laws of the Cayman Islands:

1. Transocean is an exempted company duly incorporated and validly existing and, based solely on the certificate of good standing issued by the Cayman Islands Registrar of Companies and referred to in Schedule 1, Transocean is in good standing under the laws of the Cayman Islands.

2. The Plan Shares subject to original issuance by Transocean have been duly authorised and when and to the extent issued and sold from time to time in accordance with the terms of the Plans and upon payment thereof as provided in the Plans, such Plan Shares will be validly issued, fully paid and non-assessable.

This opinion is limited to the matters referred to herein and shall not be construed as extending to any other matter or document not referred to herein. This opinion is given solely for your benefit, the benefit of your legal advisers acting in that capacity in relation to this transaction and the shareholders of Transocean and may not be relied upon by any other person without our prior written consent. This opinion is governed by and shall be construed in accordance with the laws of the Cayman Islands.

Yours faithfully

/s/ WALKERS

**SCHEDULE 2
ASSUMPTIONS**

The opinions hereinbefore given are based upon the following assumptions insofar as each such assumption may relate to the opinions given:

1. All original documents are authentic, that all signatures and seals are genuine, that all documents purporting to be sealed have been so sealed and that all copies conform to their originals.

 5. There are no provisions of the laws of any jurisdiction outside the Cayman Islands which would be contravened by Transocean's assumption of the Plans and that, in so far as any obligation expressed to be incurred under the Plans is to be performed in or is otherwise subject to the laws of any jurisdiction outside the Cayman Islands, its performance will not be illegal by virtue of the laws of that jurisdiction.
 6. The choice of the laws selected to govern the Plans has been made in good faith and will be regarded as a valid and binding selection which will be upheld in the courts of that jurisdiction and all other relevant jurisdictions (other than the Cayman Islands).
 7. All authorisations, approvals, consents, licences and exemptions required by and all filings and other requirements of each of the parties to the Plans outside the Cayman Islands to ensure the legality, validity and enforceability of the Plans have been or will be duly obtained, made or fulfilled and are and will remain in full force and effect and that any conditions to which they are subject have been satisfied.
 8. On the date of any disposition or settlement of property effected by the Plans is made in good faith and for valuable consideration and at the time of each disposition of property by Transocean pursuant to the Plans Transocean will be able to pay its debts as they become due from its own moneys.
