

Transocean commences voluntary exchange offer to acquire all shares in Songa Offshore — approval of combined offer document and prospectus

Reference is made to the stock exchange announcements dated 15 August 2017 and 4 October 2017 regarding the voluntary exchange offer (the “**Offer**”) to be made by Transocean Ltd. (“**Transocean**”) to acquire all outstanding shares of Songa Offshore SE (“**Songa Offshore**”).

The Financial Supervisory Authority of Norway has approved the combined offer document and prospectus dated 20 December 2017 prepared in connection with the Offer (the “**Offer Document**”). The Oslo Stock Exchange, in its capacity as the Norwegian take-over supervisory authority, has approved the offer set out in the Offer Document. Subject to restrictions under applicable securities laws, the Offer Document will be distributed to all shareholders listed in Songa Offshore’s share register as of 20 December 2017 and will also be available electronically at <http://securities.clarksons.com>.

Transocean is pleased to announce the commencement of the Offer. The terms and conditions of the Offer, as further set out in the Offer Document, include the following:

- The Offer period for the Offer will commence 21 December 2017, and expire at 16.30 (CET) on 23 January 2018, unless extended in accordance with the terms set forth in the Offer Document (the “**Offer Period**”).
- Completion of the Offer is subject to satisfaction of, or, where permissible, waiver of certain conditions, including conditions regarding minimum acceptance of shareholders holding more than 90% of the Songa Offshore shares on a fully diluted basis, regulatory approvals, and the absence of material adverse changes as further described in the Offer Document. Transocean’s shares are listed on the New York Stock Exchange (the “**NYSE**”) under the symbol “RIG.” The approval of the Consideration Shares and Shares issuable upon exchange of the Exchangeable Bonds (as defined below) for listing on the NYSE is also a condition to the Offer.

Subject to the terms and conditions of the Offer, the consideration for each share in Songa Offshore consists of (i) 0.35724 newly issued shares in Transocean, each with a par value of CHF 0.10 (the “**Consideration Shares**”) and (ii) USD 2.99726 principal amount of 0.5% Exchangeable Senior Bonds due 2023, which are exchangeable into shares in Transocean to be issued by Transocean Inc, a wholly owned subsidiary of Transocean (the “**Exchangeable Bonds**”). As part of the Offer and subject to the terms and conditions of the Offer, each Songa Offshore shareholder may instead elect to receive an amount in cash of NOK 47.50 per share of Songa Offshore up to a maximum of NOK 125,000 per shareholder in lieu of some or all of the Consideration Shares and Exchangeable Bonds such shareholder would otherwise be entitled to receive in the Offer.

The consideration in the Offer is based upon NOK 47.50 per Songa Offshore share, representing a 37.0% premium to Songa Offshore’s five-day average closing price of NOK 34.68 per share on 14 August 2017, the last trading day prior to Transocean’s announcement of the Offer. The consideration in the Offer implies an equity value of Songa Offshore on a fully diluted basis of approximately NOK 9.1 billion, and an enterprise value of approximately NOK 26.4 billion (as per the announcement date).

Songa Offshore shareholders may tender shares of Songa Offshore that are issued and delivered within or after expiration of the Offer Period as a result of exercise of Songa Offshore warrants or restricted share units, or conversion of Songa Offshore convertible bonds, provided that such shares of Songa Offshore are issued prior to settlement of the Offer.

Transocean has obtained pre-acceptances for approximately 76.5% of the shares in Songa Offshore on a fully diluted basis.

The Board of Directors of Songa Offshore has recommended that its shareholders accept the Offer. The recommendation by the Board of Directors of Songa Offshore is included in the Offer Document. This recommendation is not the formal statement about the Offer in accordance with section 6-16 c.f. 6-19 of the Norwegian Securities Trading Act. ABG Sundal Collier ASA has provided an independent statement regarding the Offer in accordance with section 6-16, cf. 6-19 of the Norwegian Securities Trading Act which is included in the Offer Document.

Transfer of the shares tendered by the shareholders in Songa Offshore and the delivery of the Consideration Shares and Exchangeable Bonds to Songa Offshore shareholders and payment of cash consideration, as applicable, as settlement of the Offer, will be made promptly following the expiration of the Offer Period and, in any case, no later than 15 U.S. business days after expiration of the Offer Period.

Subject to satisfaction or waiver of the closing conditions, Transocean expects to close the transaction on or around 30 January 2018.
